BENEFITS

FAMILY SIZE™ DISHWASHER

Receive the perfect wash and dry no matter how you stack, designed for modern families with busy lives

XXL TUB FOR THROWING IT ALL IN

We've designed our wash performance to handle real life stacking, not the ones you see in pictures. And with an extra 10L of loadable volume, we've made room for plates up to 34cm tall

SENSOR WASH & LOAD SENSING

Sensor wash assesses the load size and level of soil on the dishes and adjusts the wash cycle to

WATER SAFETY SYSTEM

Our aqua control function is an advanced anti-flood system. Automatically cutting off the water supply to

optimise wash results. The load sensing feature quickly senses the load size optimising the use of water.

30 MINUTE QUICK WASH CYCLE

With 5 wash programs there's an option to suit your requirements, giving you more flexibility to choose what, when and how you wash. The Fast 30 program is design to help with your busy household

the dishwasher to give you peace of mind knowing your kitchen is protected.

WATER AND ENERGY EFFICIENT

With an impressive 4.5 star water rating and 3 star energy rating, our new range of Family Size™ dishwashers deliver optimum washing and drying results so you can take a load off knowing your dishes are in the best of hands
